The screenshot shows the TCCIP Climate Change Integrated Service Platform homepage. At the top right, there is a volume icon. Below it, the platform's name is displayed in large blue text. A central graphic features a globe with various icons representing climate change data, knowledge, and impacts. Below this graphic, there are several links and icons related to AR6 data, climate science, adaptation knowledge, big data, and publications. At the bottom, there is a navigation bar with links to AR6 activities, data stores, future messages, podcasts, climate maps, hazard maps, case studies, and the TCCIP official account. The URL <https://tccip.ncdr.nat.gov.tw/> is also present.
